

2013-14 PTO Membership

Just \$5 can help PTO spend up to \$100 per child!

Want to support our children, teachers and school? Join PTO to pool our financial resources! Rather than relying solely on traditional fundraising, we keep 100% of every dollar raised through membership and donations and spend it on our children. All the more important as budgets continue to be cut.

Our goal is to spend up to \$100 per child each year.

If every family joins PTO, membership dues generate less than a quarter of the PTO budget. Donations are a vital component of maintaining programs, services, and events for Gamble students.

Membership dues are only \$5 per family and/or business.

Becoming a member *doesn't automatically* make you a PTO volunteer, it simply means you feel strongly that your \$5 will help Gamble and your child(ren)'s classroom(s) have everything at its disposal to exceed your academic, elective and character building expectations.

Sign up today and return with your child to his/her homeroom class.

Let's make this a fantastic year!
