School Advisory Council Request for the Use of Funds

Requests must be made 1 week prior to the SAC Meeting

Date: October 4, 2016 **Requested by:** Christina Cuny

Purpose of the funds requested:

I would like to request funds to go towards the hotel cost in Tampa during the Florida Music Educators Association Conference in January.

What Part of the School Improvement Plan will these funds address?

By attending the conference, I will gain new knowledge and skills to bring to my music class so the students can achieve at their highest level.

How will you measure its effectiveness or impact?

I can measure its impact by monitoring how many lectures I attended and how much I can integrate into my classes.

In order for this project to be funded by the School Advisory Council, you will be required to provide a 5 minute presentation on how it has been used to improve the school and/or the quality of teaching you are able to provide. Do you agree to this?

YES NO

How much funding support do you require?

School Advisory Council Request for the Use of Funds

Requests must be made 1 week prior to the SAC Meeting

Date: October 17, 2016 Requested by: Greg Bergamasco

Purpose of the funds requested:

I would like to request funds to allow four teacher to attend FETC. (Future of Education Technology Conference)

What is FETC?

Education Technology Conference ... where the most dynamic and creative minds gather each year to exchange ideas and techniques for the continuing pursuit of education excellence.

Join fellow administrators, IT executives, district-level leaders, educators, and state and national policy leaders from all 50 U.S. states and more than 30 countries at FETC. You'll fuel your inspiration and explore cutting-edge technological implementations that will take learning to a whole new level with:

- 3 engaging Keynotes with solution providers and forward-thinking educators leading the charge
- 400+ sessions spanning five NEW program tracks to best fit your needs specific to your role!
- The Expo Hall featuring more than 400 leading solution providers and hands-on demos of today's most innovative technologies

What Part of the School Improvement Plan will these funds address?

Teachers attending the conference will be able to learn techniques and technology to help our struggling readers, struggling math students and while allowing our students to use advanced technology.

How will you measure its effectiveness or impact?

Teachers can monitor how the technology is affecting student performance by doing formative assessments.

In order for this project to be funded by the School Advisory Council, you will be required to provide a 5 minute presentation on how it has been used to improve the school and/or the quality of teaching you are able to provide. Do you agree to this?
