

Please Print: Student's Full Name:

Current School: _____ Grade Level 5 6 7 circle one
Since a limited number of students may participate in this program, the selection process is competitive. As a further means of identifying interested students, we are asking applicants to carefully think about and respond to the following question. A minimum of a 6-sentence student handwritten paragraph is required. Please attach student IEP/504 to accommodate typed responses.

Why are you interested in learning more about our local coastal environment?

1. **Part one of registration must be completed at:** <http://www-grms.stjohns.k12.fl.us/marinescience/>
