January 15, 2024

Greetings Parents of Rising 6th Graders,

On behalf of the staff at Gamble Rogers Middle School, we would like to welcome your child to the Stingray Family! The 2024-2025 school year will be here before we know it, and we look forward to serving your child and your family for the next three years.

To help your student transition to our school, we would like to invite you to attend our Rising 6th Grade Informational Parent Night at 6pm on Tuesday, January 30th. During this session, we will share information about our AVID program, the CORE course progressions schools use for course placement, and our elective selections. In addition to this evening session, we will be hosting a field trip for your child's elementary school in February where your student will learn about elective options and will have the chance to tour our school campus.

For a complete list of our registration deadlines and upcoming events, please see the registration documents attached to this email. Again, we are excited to plan for the next school year, and we look forward to how it will bring together our new families, staff, and students.

Take Care,

A handwritten signature in black ink, appearing to read "Daryl Cullipher".

Daryl Cullipher
