

WELCOME TO 6TH GRADE DISTANCE LEARNING!

Are you new to distance learning and don't know where to start?? We understand this is new for many of you. Here are some guidelines to get you started:

- Below you will find the expectations for each 6th grade Core Class.
- For Electives, please be sure to check each course on Schoology for instructions.
- Troubleshooting guides for connecting to zoom can be found in the **ZOOM FOLDER** in your MATH course.
- If you need help, please let us know! Students, please message us through Schoology. Parents please contact us via email.

ELA

MRS. HUDSON & MS. PETERSON:

1. Check the **UPDATES** for the weekly planner.
2. Check the Daily folders for the current week (**GREEN FOLDER**), All work will be located in this folder.
3. It is also expected that you attend conferences on **WEDNESDAYS** and **THURSDAYS**.

MATH

MRS. RADOVICH, MS. GLEESON, MS. ZIKOS:

Ms. Zikos teaches distance learning for all 6th graders.

1. Check the **GREEN FOLDER** every day for the weekly agenda, homework, and daily folders. Read the instructions on the daily folder every morning.
2. Log into Zoom (**BLUE FOLDER**) every class day according to the bell schedule.
3. Please note, videos of class will not be posted. We do not post self-paced work - you must attend live in order to complete the day's assignments.

SCIENCE

MRS. McDONALD & MS. DIXON:

1. In the "MATERIALS" section, please find the folder for the current week. This folder will always be **GREEN**.
2. Once you have found that folder, you will return to it every day. There will be a different folder every day of the week.
3. It is expected that you complete the work in those folders every day.
4. It is also expected that you attend conferences on **WEDNESDAYS** and **THURSDAYS**.
5. If you have questions about the course, you may message Mrs. McDonald or Ms. Dixon at any time. We can't wait to see you when you return!

WORLD HISTORY
