January 18, 2023

Greetings Parents of Rising 6<sup>th</sup> Graders,

On behalf of the staff at Gamble Rogers Middle School, we would like to welcome your child to the Stingray Family! The 2023-2024 school year will be here before we know it, and we look forward to serving your child and your family for the next three years.

To help your student transition to our school, we would like to invite you to attend our Rising 6<sup>th</sup> Grade Informational Parent Night at 6pm on January 30<sup>th</sup>. During this session, we will share information about our AVID program, the CORE course progressions schools use for CORE course placement and our elective selections. In addition to this evening session, our elective team has presented at your child's current elementary school to share the elective information and processes with your student.

For a complete list of our registration deadlines and upcoming events, please see the registration documents on the landing page of our GRMS website. Again, we are excited to plan for the next school year, and we look forward to how it will bring together our new families, staff, and students.

Take Care,

A handwritten signature in black ink, appearing to read 'Daryl Cullipher', written over a light blue circular stamp.

Daryl Cullipher

Assistant Principal

Gamble Rogers Middle School
